**See You There! Next Chapter 34 Monthly Membership Meeting – January 10th, 2012**

***No December Meeting - Christmas Party!***

## Thanksgiving Lunch Get-Together

Eight Chapter 34 members enjoyed a delightful get together on November 12 at the Lonestar Antique Mall in Haltom City. Good conversation, tasty food, and the chance to talk airplanes made for a nice day. Afterward, Carl Orton hosted a tour of his Sonex project for interested members.

## B-17 Tour a Success!

Chapter 34 was given the honor of hosting EAA's B-17, Aluminum Overcast November 3-7, 2011. This year, due to conflicts at KGKY with a Cowboy's Game, the event was moved to Spinks Airport. This worked out well, as the close proximity to I-30 generated a lot of drive-up interest. Six flight tours and innumerable static tours were given during its stay. Thanks to all the Chapter 34 members who helped out!

**Reminder! General Meetings Now Held in Upper Conference Room of Arlington Muni Airport Terminal Bldg!!**

December 29th, 2011**

## President's Notes

Another year is closing and as I look back on this past year I am proud of what we have accomplished, how far we have come and of our future outlook as a chapter. I want to say how

much I have enjoyed being president and how thankful I am for all the help that I received, be it words of advice or a shoulder to cry on. ☺ With that said I will also say that I am stepping down as president of EAA 34. Brandon Gordon our vice president will be stepping up in my place. I know that 2012 will be a great year for the chapter. Brandon brings to the group enthusiasm and great ideas that will propel the chapter into new territory. Thank you again for all your hard work and effort. We had a great tour stop with the B-17 in November the best we have had in a few years. I look forward to being a participant in the new year and seeing what great things are accomplished. I promise to come and shake the pony tail at you periodically.

Blue Skies,

Elissa

## Annual Christmas Party

By Carl Orton

On Friday, 9 December 2011, we will have the annual Chapter 34 Christmas Party.

This year, it will be at Mercado Juarez Mexican Restaurant.. Things will get underway at 7 PM. No gift exchange this year.

125 E I-20 in Arlington. Westbound on the Matlock Road exit ramp/frontage road.

## Note of Appreciation Received

The Burleson Recreation Center was kind to send the following:

*I would like to take this opportunity to express my thanks and gratification for the coordinated fly over that took place at the Burleson Veterans Day held November 5th. We always have a tremendous event and turnout every year. However, by having the B-17 fly over, it became a special treat that legitimized and wrapped the event in total patriotism. As the plane approached you could hear the roar of the engines before you could see the plane. As it went over our speaker state, "The Air Force is still on duty." The whole crowd stared in awe and clapped as it went over. Truly a remarkable sight! We appreciate everyone's effort including Daubner and "Harrison that had a hand in making this happen. You truly are an American asset that needs to be seen by all generations alike. Without dedicated individuals like your organization, things like the B-17 would be a thing of the past and not the present or future. Again thank you on behalf of all the service men, retired and active that attended the memorial, the City of Burleson, and all the staff and volunteers involved in planning this event.*

*Sincerely,*

*David McDowell*

#### Engine for Sale

I have a complete Revmaster 2100 engine for sale. It is lightly used. I bought it from a gentleman that only taxied the engine around on his project before he sold it to me. I am selling it because I have another project I am now working on. Engine has been preserved in pristine condition and includes everything you will need except a propeller. I am asking \$4200 and will assist with shipping cost. Sam Ajayi. soajay@hotmail.com

#### Sonex for Sale

N257SX Sonex is for sale for the price of the materials of \$27,000. This plane has been inspected and has its registration. The plane has never flown as I have had three surgeries and unable to fly anymore. The plane is now at home with the wings off. If you would like to see it then give me a call at 817-283-2557. Don Owens

#### Wanted: Pulsar Project

Just a short note from a long time EAA member. I am looking for a registered Pulsar 1 (meeting LSA requirements) OR abandoned, partially built, or neglected Pulsar 1 aircraft project. One without an engine would be perfect since I have a new 582 Rotax that would like to live in the nose of one of these little birds. I am willing to pay a \$250 finder's fee for the right plane/project.

I am located in College Station, Texas. Contact phone is (979) 458-6138 (day). Eddie D. Gose, EAA #58667

## Chapter Information

### Chapter 34 Purpose

In the year 2000 Chapter 34 initiated a change in tax exempt status from 501(c)(7) Recreational to 501(c)(3) Educational. The purpose was to permit donors to give large donations to the Chapter 34 and be accepted by the IRS as a donation. Also it makes the Chapter eligible for government grants.

Chapter members approved the change in the Articles of Incorporation on February 8, 2000. Secretary of State of The State of Texas approved the changes July 6, 2000. These emphasize education and are in effect today.

#### Article Three now reads:

**"The purposes for which the Corporation is organized are:**

- a. To promote and encourage education and safety in operation of general aviation aircraft.**
- b. To promote and encourage positive public awareness of all aspects of general aviation.**
- c. To operate as a local chapter of the Experimental Aircraft Association.**
- d. Form together a group of people with an Experimental Aircraft Association common interest in experimental, antique and general aviation aircraft and to exchange ideas relating to flying and aircraft and all things necessary and incident thereto.**

Chapter 34 received approval of 501(c)(3) status on June 7, 2002. (EAA Chapter 34 is a Texas Corporation and the legal name is "Experimental Aircraft Association, Chapter Thirty-Four, Inc.")
