## President's Notes

This Memorial Day as I sit and type this, yes I am a little late in getting this done ☺, I realize that today we honor

those who served our country and fought for our freedoms but we also honor those men and women who are leaders. It takes a leader to fight for our country. It takes leaders in parents and families who encourage those who have served and serve us to stand up for what is right. It takes leaders to train and motivate, to empower and create more leaders. It has been said that our country is seeing a significant decline in leaders. This may be true. But we don't have to see this. We are all potential leaders. We can all do our part in life to make a difference.

Our chapter needs more leaders. I believe we are at almost sixty members so, we need to be an organization of sixty leaders. You may be thinking that is not for me, I am not a leader, but

a leader doesn't mean you have to have a title. It means you are willing to learn, improve, influence the situations around you, and give of yourself. Now is the time to embrace the leader in you. EAA 34 is important to all of us and with all of us we can grow, learn, improve, influence and give of ourselves. I encourage everyone to take lesson from our service men and women, and today stand up and find the leader in yourself.

Blue Skies,  
Elissa

## Chapter Information

### Chapter 34 Purpose

In the year 2000 Chapter 34 initiated a change in tax exempt status from 501(c)(7) Recreational to 501(c)(3) Educational. The purpose was to permit donors to give large donations to the Chapter 34 and be accepted by the IRS as a donation. Also it makes the Chapter eligible for government grants.

Chapter members approved the change in the Articles of Incorporation on February 8, 2000. Secretary of State of The State of Texas approved the changes July 6, 2000. These emphasize education and are in effect today.

#### Article Three now reads:

**"The purposes for which the Corporation is organized are:**

- a. To promote and encourage education and safety in operation of general aviation aircraft.**
- b. To promote and encourage positive public awareness of all aspects of general aviation.**
- c. To operate as a local chapter of the Experimental Aircraft Association.**
- d. Form together a group of people with an Experimental Aircraft Association common interest in experimental, antique and general aviation aircraft and to exchange ideas relating to flying and aircraft and all things necessary and incident thereto.**

Chapter 34 received approval of 501(c)(3) status on June 7, 2002. (EAA Chapter 34 is a Texas Corporation and the legal name is "Experimental Aircraft Association, Chapter Thirty-Four, Inc.")

### Meeting Time / Location

**Chapter 34 meetings are on the second Tuesday at of each month at 7:30 PM in Room 100 of Nedderman Hall, 416 Yates Street on the UT Arlington campus.**
