Brandon Gordon: The B-17 Stop at Spinks

B-17 to be Hosted by Chapter 34

Chapter 34 once again has received the honor of hosting EAA's B-17, Aluminum Overcast. It will be in the area November 4th-6th. This year, in order to resolve a conflict with a football game at Cowboy Stadium, Spinks Airport (KFWS) will be our base of operations. Thanks go out to Harrison Aviation for allowing access to their ramp for the events.

While many members have signed up for volunteer shifts over the 3 days it will be here, plenty of slots remain open. Your help will be sincerely appreciated if you can spare some time this weekend!

by Carl Orton, Newsletter Editor

Are you one of those folks who "lives" on Facebook? Did you know that EAA Chapter 34 has a Facebook page? You didn't? Well, c'mon over!

Just search for EAA 34, and you'll find a link for us! "Like" us to help get our counts up, and we will receive an easy-to-remember URL instead of having to have you search for us!

Most importantly, by "liking" us, you will be able to see up-to-the minute posts about program changes, happenings in our Chapter, meeting changes, personal accomplishments - in general, timely information that will hopefully help us keep our members fully informed.

By Carl Orton

As a reminder, once again there will not be a December 2011 meeting. We will see you at our January meeting, scheduled for January 10th, 2012.

Keep an eye out for news of a Chapter Holiday Party.

On Friday, October 21st, Sonex 1170 roared to life with its first engine start. Minor adjustments to idle mixture are required (haven't had a chance yet...), but otherwise everything checked out, and all instrument readings were in the normal ranges. Getting close!

Chapter Information

Chapter 34 Purpose

In the year 2000 Chapter 34 initiated a change in tax exempt status from 501(c)(7) Recreational to 501(c)(3) Educational. The purpose was to permit donors to give large donations to the Chapter 34 and be accepted by the IRS as a donation. Also it makes the Chapter eligible for government grants.

Chapter members approved the change in the Articles of Incorporation on February 8, 2000. Secretary of State of The State of Texas approved the changes July 6, 2000. These emphasize education and are in effect today.

Article Three now reads:

"The purposes for which the Corporation is organized are:

- a. To promote and encourage education and safety in operation of general aviation aircraft.**
- b. To promote and encourage positive public awareness of all aspects of general aviation.**
- c. To operate as a local chapter of the Experimental Aircraft Association.**
- d. Form together a group of people with an Experimental Aircraft Association common interest in experimental, antique and general aviation aircraft and to exchange ideas relating to**

flying and aircraft and all things necessary and incident thereto.

Chapter 34 received approval of 501(c)(3) status on June 7, 2002. (EAA Chapter 34 is a Texas Corporation and the legal name is "Experimental Aircraft Association, Chapter Thirty-Four, Inc.")

Meeting Time / Location

Chapter 34 meetings are on the second Tuesday at of each month at 7:30 PM in the second-floor conference room of the Arlington Municipal Airport terminal building.
